Floating Cement!

WILL SHE OR WON'T SHE?

Only the launching will tell for sure.

The cement boat is shown at the top of the ramp before taking to the harbor.

CEMENT BOAT LAUNCHED IN MATT.

The prototype of what is expected to become the first ferro-cement production yacht to achieve the American Bureau of Shipping's (ABS) top seaworthiness rating was launched at Mattapoisett last Thursday during a light snowfall.

Spokesmen for D & L Marine, Ltd., builders of the 64-foot boat, said the launching

was completed at 11 A.M., following installation of engines.

One day earlier it was trucked to the town dock from the boatyard of Allan H. Vaitses, about two miles away.

The boat was built by the Vaitses yard from specifications provided by D & L Marine Ltd.

Upon completion and final outfitting the vessel is expected to weigh 70,000 pounds.

Enough cement was consumed in the construction process to pour a three-foot-wide sidewalk 1,000 feet long, spokesmen said.

Conceived by Donald G. Payzant of Old Saybrook, Connecticut, and designed by Joseph G. Koelbel, Jr., naval architect, of Massapequa, New York, the Conqueror 3000, as the line has been named, is abundant with superlatives.

"This first Conqueror will be a luxury boat for serious fishermen who enjoy the Grand Banks, Labrador and Honduras Reef areas,

Special Town Meeting

In Mattapoissett, a special town meeting is tentatively scheduled for February 17th to consider an addition to Old Hammondtown School. A proposed 12-room addition to cost an estimated \$900,000 (\$28.40 per square foot) is to be put before the voters. The school population is 694 pupils in both Center and Old Hammondtown Schools. Old Hammondtown was designed for 250 pupils and by utilizing office space and other available room 300 are now accommodated. The Commonwealth has dictated the requirements for the addition which includes a gym. The Building Needs Committee, chairmaned by Joe Travis, proposes that, if accepted, the building be financed with a 10-year bond issue. The total cost would be reduced with a 50% reimbursement by the Commonwealth.

If approved, the addition would be ready for the Fall of 1972 and, based upon projected pupil enrollment, would be adequate until 1977.

The addition has been planned by Alger Gunn of Hyannis. This firm has designed numerous large buildings, among them the William Decas School in Wareham. Originally, the core was designed to accommodate an addition which would be added to the present building in a T. In order to facilitate pupil traffic flow, the addition, as designed by this architectural firm, would be a separate entity in the shape of a square with

MATTAPOISETT

the present building. It is to be built around an open central courtyard. It would be connected to the present building by means of enclosed corridors. The traffic flow would be all one way around the square, planned to eliminate the confusion of two way flow in the corridors.

The proposed addition would consist of eight regular classrooms and one room which would be built flexibly to accommodate 4 classrooms or less with movable partitions.

The Sports Committee of the town is pressing for a larger gym than planned. The gym, as planned, is adequate for the school but the Sports Committee proposes an adult size gym to cost an estimated additional \$50,000.00.

A new water line laid in a loop would be necessary to provide proper pressure to the school and this is included in the plans.

The proposed addition would add an estimated \$3. per \$1,000 of assessed valuation after reimbursement by the Commonwealth (every \$33,000.00 adds about \$1.00 to the tax rate). This figure, of course, is for the building and equipment only and does not reflect the additional cost of teachers' salaries and supplies for the completed facility which would be reflected in an increased Elementary School Budget.

Hammondtown Addition

SCHOOL BUILDING COMMITTEE
IN FULL SWING

The Building Committee for the proposed addition to Old Hammondtown School met Monday evening, January 11th, for interviews with the Mssrs. Paul Bradley, Mattapoissett Fire Chief; Robert Stanley Ennis, Fire Alarm Superintendent; and Alfred E. Faira, Chief of Police; to hear their recommendations for the fire safety and protection of this school.

Mr. Russ Gunn, architect, was present with Mr. Carroll Fuller, Alger and Gunn Architects Eng., to discuss the continuation of the core fire and safety facilities.

Upon request of the Sports and Athletic Committee of the Town an invitation has been extended to them to attend the next Building Committee meeting for the discussion of the present and future Town Athletic program.

meeting this Friday night, January 22nd, at the Grange Hall. All Juniors are urged to be present.

Cooperation Saluted

Editorial - D.C.J.

A very handsome special edition of "The Lamplighter" has been issued to commemorate the great effort of the men and women who volunteered their time in the painting of the First Congregational Church at Rochester Center. The brochure contains many candid photos of the painters in action using the "cherry picker" trucks donated by Barnes Tree Service. An excellent printing job was done by American Press of New Bedford. This joint effort of the congregation completed a job estimated to cost \$4,000 to \$4,800 for a sum of \$500. Surely this spirit of cooperation deserves a fitting tribute. Few congregations in the United States could still stir the enthusiasm and effort of this Rochester church. Pastor Ed-

ward F. White must feel a very warm glow at the solid backing that his leadership has inspired. A man who can conjure up "sky hooks" to paint a house of God must have great influence in that direction. We salute Pastor White and all the men and women who helped to complete this giant project.

Letter to All

TO THE PEOPLE OF MATTAPOISETT:

I wish to express my sincere appreciation for the friendship and understanding you all have shown during the past few months.

We have lived in Mattapoisett only eighteen months and I can sincerely say that we leave this community calling it home. It's a great town, but best of all, it's full of great people, young and old, who are our friends.

Merry, Ralph and Bill will be spending the summer on Point Connett and I will join them week-ends, so I will not say "Good-gy" -- just "Thank you".

All Out for FISH!

MEETING OF FISH

The first general meeting of FISH for Mattapoisett will be held this Sunday, January 24th, at 8 P.M. in the Mattapoisett Congregational Church parish hall. Everyone of all ages in town is invited to attend. There will be a discussion of FISH, films on the history and function of FISH and speakers to explain the organization. Mrs. Paul Pakos will preside at the meeting.

LaClair to Instruct

GOLF SCHOOL AT YMCA

Paddy LaClair, Mattapoisett resident and Pro at the Country Club of New Bedford, will once again conduct his popular series of six lessons for men and women at the indoor range at the New Bedford YMCA. Interested adults are asked to phone the YMCA and arrange for a convenient class time.

Lessons will cover all of the basic principles of golf and at the conclusion of the lessons, in early April, class members should be able to show considerable improvement. Mr. LaClair also stresses the fact that class size will be held to six people

CHILDREN'S MOVIES TO BENEFIT SCHOL. FUND

On four alternate Saturdays, beginning January 23rd, through March 6th, the Sippican Woman's Club will sponsor a series of moving pictures in the auditorium of Old Rochester Regional High School. Proceeds will benefit the Scholarship Fund.

The first of the series of the A-1 rated films, scheduled for January 23rd, is "The Dog of Flanders", starring David Ladd, Donald Crisp and Theodore Bikel. The theme of the story surrounds the love of a Belgian lad for his dog Patrasche and his crippled grandfather. The picture is in color and photographed in Belgium. Replete with pathos, the film depicts the boy's struggle to support his ailing grandfather with the meager profits of a milk route. The presentation depicts the child's love of art which led to a lasting friendship with the painter Van Gelder. Critics have acclaimed the picture as one tension-packed with heart-in-the-mouth scenes.

The second of the series, on February 6th, is the showing "Brighty of the Grand Canyon", a heart-warming film of the misadventures of a shaggy little burro, a mountain-lion hunter and a boy living in

Frees. This film depicts the life of a country cat on a French farm which abandons her peasant existence and goes to Paris and regales its viewers with marvelous music, mirth and adventure galore in gay, Gallic cartooning.

Tickets are available for the entire series of single performances. Season tickets may be purchased at the Browne Pharmacy in Marion, the Symphony Shop in Mattapoissett and Cobb's Card Shop in Wareham. Note: Children under six must be accompanied by an adult.

All films will start at 2 P.M. For the benefit of mothers planning to meet their children after the movies, the lengths of the films are as follows: January 23rd, 97 minutes; February 6, 91 minutes; February 20th, 86 minutes; and March 6th, 90 minutes. In addition, a short cartoon will be shown preceding the feature film.

The sponsors look forward to a sell-out at each performance of these carefully selected films - sorely needed family, wholesome entertainment for Marion and the surrounding towns.

The proceeds of these performances will be added to the Sippican Woman's Club's fund for scholarship for deserving local students.

Mrs. Jan Keener, Scholarship chairman of the Sippican Woman's Club, is in charge of these movies. Mrs. Nathalie Blaha,

Mattapoisett Woman's Club

NEIGHBORING CLUBS INVITED TO JOIN MATT. WOMAN'S CLUB

The members of the Mattapoisett Woman's Club would like to remind their neighbors from the Rochester and Sippican Woman's Clubs that they are most cordially invited to join Mattapoisett Woman's Club at their meeting on Thursday, January 28th, at 2 P.M. The meeting is to be held at the Mattapoisett Congregational Church parish hall and will feature as a program a fashion show by Nanfelt Mink Farms at which time 6 members of the club will model mini, maxi and midi fashions in fur for a real fun program. Your friends are welcome to join in on a pleasant afternoon, so invite them to attend with you.

Final plans will be made at the board meeting to be held this Thursday, January 21st, at the home of Mrs. George King.

CRAZY WHIST PARTY

A crazy whist party, sponsored by Alcyone Chapter #122, O.E.S., will be held at the Mattapoisett Grange Hall on Monday evening, January 25th, at 8 P.M. This is open to the public and tickets may be purchased at the door. There will be prizes and refreshments.

Attorney Raymond Letourneau, speaker for the Weekly Luncheon on Wednesday, January 27th, at 12:15 P.M., will discuss "Why a Person Should Have a Will". The public is invited. Sandwiches and beverage will be for sale for those who wish, and the informal arrangement for lunch and a speaker is an especially pleasant change for those shopping or employed in the center.

Mr. Letourneau attended New Bedford city schools, graduated from the University of Massachusetts and attended Syracuse Graduate School. In 1961 Mr. Letourneau received his Jurists Doctors Degree from Boston College Law School.

are invited to call the YWCA for an inter-
view with Mrs. Grace Young, USO director.

On Saturday, January 23rd, the YWCA
Junior Volunteers have charge of the inter-
national buffet scheduled in addition to
the dance at the Navy YMCA Newport.
Junior Volunteers not assigned to bring a
particular entree or other food are reminded
about calling the president, secretary of
the YWCA.

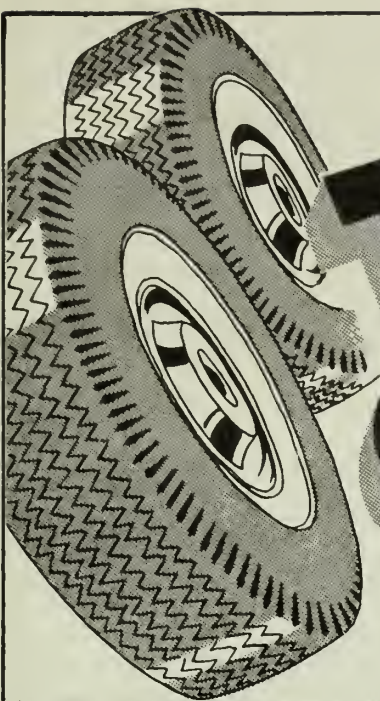

Performers at last week's USO monthly
ward entertainment at Navy Hospital, New-
port, were Mrs. Donna Desmond, former
Miss New Bedford, jazz ballet and modern
dance; Miss Kathy Coelho, president of the
YWCA USO Junior Volunteers, guitar selec-
tions; Miss Jane M. Wheeler of Mattapoi-
sett, newest member of USO Junior Volun-
teers, folk music.

Bill Jenko, a marine biology student at
SMU, spoke at January 4th's meeting of
the "Why Pollution Committee" (YPC) on
the topic of water pollution. Mr. Jenko
began by quoting a newspaper article that
told about a specific company's waste pro-
ducts and amounts of these products which
were dumped, with the Army Corps of Engi-
neers' permission, off the Boston Lighthouse.
An explanation of each of these products
and what damage it can do was given, fol-
lowed by an informal discussion of the arti-
